Dear Mrs. Weston:

On behalf of myself, members and the Board of Directors of the MAAMA, we take the opportunity on this National Medical Billers Day to commend you and your Association for your continuing efforts in maintaining the highest standards of compliance and ethics in the service of medical offices throughout the United States.

All too often, the difficult duties of the professional medical billing person are underappreciated by other professionals and our Academy is please to take this opportunity to formally recognize the expertise and diligence of members of your association.

We wish you all a wonderful day of observance and want you all to know that we appreciate all you do for all of us.

Best personal regards,

R.Ramsdell, PhD
