

AMBA 2016 National Conference

Medical Money Madness Auction Rules & Information

Purpose: The auction allows attendees to have a lot of fun during the conference by bidding on special prizes and gifts that have been donated by members, exhibitors and sponsors. Last year's auction was a huge success – some attendees ended up with really great prizes!

NOTE: We will be conducting a *silent auction* starting with this year's conference. Each item will have a photo, description, and bid list. Attendees may bid on the items during breaks until the auction closes on the second day of the conference. Attendees must be present when the winning bids are announced in order to receive their item; otherwise items will go to the next highest bidder.

- 1) Highest bidder wins the prize being auctioned.
- 2) Bidder can bid on as many items as their money madness bucks allow. There is no limit on the number of prizes a bidder can buy as long as they have the money madness bucks to buy all of their prizes.
- 3) Attendee may not give their money madness bucks to another attendee.
Exception: Business members may combine their money madness bucks to bid on items.
